Such things as this will always happen until you equip your car with

Dayton Airless Tires

They never puncture, nor blow-out, are as easy riding as pneumatics and the cost per mile is the lowest of any tire on the market. Come in and let us prove it.

County Agent A. F. Hurlbut was in South Haven the first of the week.

Mr. and Mrs. James Nelson and H. C. Waters and family spent Sunday with relatives in Benton Harbor and St. Joseph.

Specialized clerks are urgently needed in the Government's War organization. The local secretary of the civil service commission at the Post Office can furnish particulars.

Ed Bailey came home from Detroit last week Thursday to spend the day with his family here.

Mrs. A. M. Harper was the guest of Paw Paw friends last Friday. She is the mother of Mrs. Charles Paige.

John Peterson has moved to Kalamazoo where he has a fine position with the Fuller & Sons manufacturing company.

C. M. Waters and family together with his mother and sister Rosina, drove through from Illinois to Paw Paw this week to visit relatives.

Barney O'Dell came from Kalamazoo to spend Wednesday and Thursday in Paw Paw. He reports Mrs. O'Dell getting along nicely and recovering from her recent fall which fractured her hip.

Paul King and Charles Floyd of the Newberry Senatorial headquarters in Detroit were in Paw Paw for a few hours last Thursday. They report a satisfactory sentiment throughout the state for Mr. Newberry, and the chances are bright for his nomination.

F. O. Cochrane returned from Scott Field, Bellville, Illinois last Tuesday where he had been to visit his son Clyde, who is a member of the 262 Aero Squadron at that field. He also saw Dell Maguire who is a member of that squadron. Both boys are feeling fine and delighted with their branch of the service.

Engineer Dana P. Smith started Thursday to survey the highway from the pavement on West Main street to the commencement of the state highway, west of town. Cement work will start on this road just as soon as possible. A representative from the State Highway department was present to superintend the survey.

A letter from F. A. Weston of Daytona, Florida, renewing his subscription to The True Northerner, concludes as follows: "We scan every item and enjoy keeping track of our boys 'Over There' as well as the old friends. We are all well and enjoying good weather. Have home grown peaches, plums, sweet corn and tomatoes just now."

It is planned by the State Department of Public Instruction in connection with the County Commissioners and Local War Boards to hold patriotic rallies in every school house in the state of Michigan on the date of the annual school meeting, which is the second Monday in July. Further announcement of the arrangements will be made in a later issue.

A recent dispatch from the battle front states that one "Raymond Howard" with two companions had been taken prisoners by the Germans. The similarity of names has caused some Paw Paw people to believe that the "Raymond Howard" was none other than our own Raymond Hawthorth. There is no evidence however to substantiate the suspicion. The prisoners referred to were led into a French camp in the confusion, and their captors themselves taken prisoners.

There will be a patriotic program on the main four corners in Paw Paw village on Saturday evening of this week to dedicate the new American and Service flags. There will be a short address and music furnished by the Canadian soldiers recently returned from the front, and the High School band. A special invitation is extended to the citizens of Paw Paw and vicinity, and especially the parents and friends of the boys in the service. There are over eighty stars in the service flag. The program will be short, and will start promptly at 7:30. Plan to be there.

Mrs. Francis Katherine Chaffee passed away Tuesday at the advanced age of eighty years. She had been in feeble health for a number of years. She was born August 16th 1838 near Galesburg this state, and was the daughter of Mr. and Mrs. Harvey Keith. She was married on February 24th, 1856 to Thomas J. Chaffee of Kalamazoo, and the following children were born to them: Stephen Meredith, who died in 1897; Laverne M., wife of Eugene Stevens; Minnie, who died in infancy; Mabel and Mark J. Chaffee. Mabel is one of the teachers in the local schools, and for a number of years has been the faithful nurse and companion of her mother. Mark is a lieutenant in the army and stationed at Camp Custer. Deceased attended school in Galesburg, and taught school in Kalamazoo and Van Buren counties. She became a resident of Van Buren county before the breaking out of the Civil War, settling on a farm in Waverly township. She also leaves one brother, J. O. Keith of Bloomingdale. The funeral will be held from the residence at 2:00 o'clock this Friday afternoon and interment will be in Prospect cemetery.

GLIDDENBURG RALLY

The Patriotic meeting held at Gliddenburg Friday evening was a "Red Letter" one in every respect. Stirring speeches were made by Mrs. Olivia Woodman and Commissioner E. V. Root of Paw Paw and a splendid address on "War Problems and Other Problems" by State Representative Lynn J. Lewis of Bangor. About twenty members of the Men's League of Paw Paw were present and sang their patriotic songs with a fervor that was delightful. These good men are surely an inspiration in these troublesome war times. The school furnished good recitations and Harriet Hoyt, Alice Whitney and Mrs. Velva Fritz ably assisted with the music. The meeting was planned by the teacher Mrs. Nora Culver, complimentary to the five Gliddenburg boys who have joined the colors Earl and Harry White, Clare MacGowan, Robert Martin and Richard Sowles. Mrs. Culver made a Service flag with five stars and presented it to the district with the following appropriate verses.

The flag of all nations is wondrously fair
To the wanderer homing at last.
And I'm sure with his own, there is none to compare
As it floats in the breeze from the mast.

But this little flag that we unfurl tonight
To us is the finest of all.
For it says from four homes there are laddies away
Who have answered their Country's call.

It boasts the three colors of Red, White and Blue
But 'tis shown in another device.
And the message it brings, be the stars only few
Can be spelled in one word 'Sacrifice'

The blue of its Stars links our hearts
'Over There'
With those boys who are doing their bit.

Richard Sowles, Robert Martin, The Wright boys and Clare
A brave guard and honor for it.

The white of its heart is the splendor of youth
Such a background will brook no defeat.
The red for their courage, the blue stars of truth
And Gliddenburg's flag is complete.
